Biography

Victor Sawma received his B.S. degree in computer science from Notre Dame University in 1998 and his M.S. degree from the University of Ottawa in 2003. His master thesis focused on E-commerce security and provided a new methodology for deriving effective countermeasures design models. His thesis was nominated for Best Thesis Award at the University of Ottawa. He has been a member of the Faculty of Natural and Applied Sciences since 2003. His interests are mainly in security and the Internet from various perspectives including programming, IoT, AI and ethics.
